For chemical spills, leaks, fire or exposure, call
CHEMTREC USA: (800) 424-9300.

PRECAUTIONS

Do not ingest. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or mist. Wash hands thoroughly after handling this product and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove PPE after handling this product. Do not mix with acids.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

When mixing, loading, or applying this product, wear goggles or face shield, coveralls over long-sleeved shirt and long pants, gloves made of any waterproof material, socks plus shoes. Where airborne exposure is likely, use NIOSH/OSHA approved respiratory protection equipment for particulates and/or organic vapors.

FIRST AID

If swallowed: Call a poison control center or doctor immediately for treatment advice. Rinse mouth. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person. **If on skin:** Rinse off immediately with plenty of water for 15-20 minutes. Take off contaminated clothing and wash it before reuse. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Get medical attention if irritation persists.

If inhaled: Move person to fresh air and keep person comfortable. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product label or container with you when calling the poison control center or doctor or going for treatment.

DIRECTIONS FOR USE

PURPOSE: To facilitate photosynthesis, increasing photosynthetic productivity and conversion of atmospheric carbon dioxide (CO₂, a greenhouse gas) to oxygen; to improve water use efficiency by decreasing transpiration; and to enhance growth and vigor of treated plants through these effects.

SHAKE WELL BEFORE USE. DO NOT ALLOW TO FREEZE.

FOR BEST RESULTS, APPLY 2.5 TO 5 GALLONS SOLBERE® PER ACRE EVERY 24 TO 48 DAYS.

AERIAL APPLICATIONS: Use a minimum of one gallon of water for every 12 fl oz of product applied per acre. Apply a minimum of 3 gallons of SOLBERE® per acre.

GROUND APPLICATIONS: Apply product in sufficient water to obtain good coverage, typically 50 to 100 gallons per acre.

STORAGE AND DISPOSAL

Store product in original labeled container in a cool, dry place. Keep container tightly closed when not in use. Protect from freezing. Dispose of unused product or empty packaging according to local regulations.

CLIMATE & GLOBAL WARMING SOLUTION FOR USE ON ALL TERRESTRIAL PLANTS

Photosynthesis is the complex process wherein plants create life-giving sugars from carbon dioxide, water, and sunlight. Photosynthesis occurs in chloroplasts, known as 'cellular lungs.' As a plant 'breathes' in carbon dioxide (CO₂, a common greenhouse gas), it releases oxygen as a byproduct.

Many factors will slow or stop a plant from producing sugars and releasing oxygen. For example, as sunlight intensifies, a plant will activate natural internal protection to keep its chloroplasts from damage; this is known as the *Chloroplast Avoidance System (CAS)*. As CAS is deployed, the plant greatly slows its breathing - decreasing release of oxygen, slowing carbohydrate production, and retarding growth.

SOLBERE® is made from earthen materials formulated to slow deployment of the defensive CAS system and encourage photosynthesis during times of environmental stress - **increasing photosynthetic productivity, removing CARBON DIOXIDE from the air, and releasing OXYGEN!**

In addition, SOLBERE® slows transpiration - resulting in a more efficient use of water. Treated plants show increased vigor, strength, and mass.

With SOLBERE®, not only do we benefit from larger and more vigorous plants, but **MORE OXYGEN MEANS BETTER AIR!**

GUARANTEED ANALYSIS CONTAINS NON-PLANT FOOD INGREDIENTS:

ACTIVE INGREDIENTS:

55% Calcium Carbonate

5% Titanium Dioxide

40% TOTAL INERT/OTHER INGREDIENTS

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY:

Notice: Read the entire **Directions for Use** and **Conditions of Sale and Limitations of Warranty and Liability** before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be returned.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer, Distributor, and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED 'AS-IS,' AND NEITHER SELLER, DISTRIBUTOR, NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE, OR USE OF THIS PRODUCT; SELLER, DISTRIBUTOR, AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller, Distributor, or Manufacturer.

To the extent permitted by law, neither Manufacturer, Distributor, nor Seller shall be liable for any incidental, consequential, or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER, DISTRIBUTOR, AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES, OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY, OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER, DISTRIBUTOR, OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitations of Warranty and Liability shall be interpreted in accordance with the laws of the State of Oregon, excluding its conflicts of law rules, and may not be amended by any oral or written agreement.
